

## Who are we?

This Association was originally formed in January 1985 and named Canning River Ward Association (Inc). The name of the Association was subsequently changed to Riverton, Rossmoyne & Shelley Residents' Association (Inc) in December 2004 to reflect a broader area of interest and to specifically identify the communities of the Beeliar Ward, within the City of Canning. The Review of Wards and Boundaries in early 2015 means that our Members are now electors of the Bannister Ward.

The RRSRA is a non-political, non-sectarian and not-for-profit organization.

## What do we do?

- Co-operate with other associations and public bodies interested in municipal affairs.
- Attend Council Meetings, Community Forums and Workshops to ensure the residents are well informed via Newsletters, Members' Up-dates and our website.
- Promote the conservation of the Canning River and safeguard its foreshores and surroundings.
- Work to maintain an equitable rating within the City of Canning
